

Developmental League Information

Offered at Airways Golf Course and Riverside Golf Course

This class is a 6 week program for \$119

How to Qualify for Developmental League:

- Must have either participated in a Life Skills class prior to registering and must be 9-17 years old.
- Must have a coach's recommendation. Ask your current coach about participating in a Developmental League class.
- Must have some beginner experience out on the golf course. Players cannot be brand new to the game.

Class Description:

This class is geared towards kids that have golf experience but aren't yet ready to play on the golf course. Developmental League will help teach your kids specific rules that they need to know when playing on the golf course. They will be learning all about golf course management and different techniques to practice before heading out to the golf course. This class may also help prepare them for tournament league or team play in the future!

Participants will be learning about:

- Pace of Play
- Water hazards
- Out of Bounds Rules
- Hitting under a tree
- Marking their golf ball on the putting green
- Declaring their golf ball
- How to take a drop from a cart path
- Fairway bunker vs greenside bunker
